FROM

K. Srinivasan, Esq., B.Sc.,
~~G.SUNDARARAO, Esq., B.A.,~~
Director of Food Supplies

Secretary to Government, Development Department,
(Food Supplies),
BANGALORE.

SIR,

***Subject*:-** Opening of a Destitute Home on the Sarjapur ~~and~~ Anekal Road to check movement of outsiders into Bangalore City.

With reference to the decision arrived at in the meeting in the ~~Dewan's~~ Dewan's Chambers on 18th June 1946, I have the honour to forward for information of Government, a copy of letter No.RRC.10/46-47 dated 5th July 1946 received from the Deputy Commissioner, Bangalore, making certain proposals in the above matter together with a scheme to prevent influx of outsiders to Bangalore City.

2. I have permitted the Deputy Commissioner, Bangalore, to start forthwith a destitute Home in the choultry at Madivala on an expenditure not exceeding Rs.100/- p.m. laid down in Government Order No.SD.3287-95/A.139-23-3 dated 19-11-1943, on the lines suggested by him in para 4 of his letter referred to above.

3. The marginally noted staff proposed by the Deputy Commissioner is necessary for interrogating and examining the persons that come to Bangalore in that road. They have to work in turns and examine all persons coming along the roads from Bannerghatta, Sarjapur and persuade as many as possible to get back. I have therefore permitted the appointment of these in anticipation of formal Government sanction. They may kindly be approved and sanction of Government accorded early for the appointment of the said staff to end of December.1946 in the first instance.

One Food Inspector on Rs 80 plus Rs 20/-
Two Assistant Food Inspectors on Rs.50 plus 10/-
Six Peons on Rs.11/-
One Cook on Rs.25/-

4. I have, after a discussion with the Deputy Commissioner, cut down the expenses to the barest possible limit, and the proposals now sent are in accordance with the decisions arrived at the discussion.

I have the honour to be,

Director of Food Supplies.

Office of the Deputy Commissioner,

To

K. Srinivasan, Esq., B.Sc.,
Director of Food Supplies
in Mysore, Bangalore

Sir,

With reference to your letter No.B4.41/C.3440/45-46 dated 20th June 46 regarding the opening of a destitute home, I have the honour to forward herewith a Scheme prepared by the Food Assistant on this behalf in consultation with the Rationing Officer and the Sub Division Officer an to state as follows:-

As this Destitute Home is proposed to be opened as an experimental step, the big staff of two special Revenue Sheristedars, one Special Revenue Inspector, 6 attendars, 4 peons, two Sub Inspectors, 4 daffedars and 30 constables for the district belt and frontier belt appear to be unnecessary. It will be enough if one Food Inspector on Rs.80 plus 20 plus usual dearness allowance and two Assistant Food Inspectors on Rs.50 plus 10 plus usual dearness allowance and six peons on Rs.11/- plus usual dearness - allowance are appointed for interrogating work. They will be asked to work in turns at the circle junction of Sarjpu and Banneraghatta roads and to interrogate the persons who come to Bangalore and to pursuade such of them as cannot give satisfactory reason for going to Bangalore to get back and to take such of them as have no ostensible means of livelihood to the destitute home and to feed them there for some time. They will also attend to the sending of the necessary information daily to the Rationing Officer.

The Food Assistant has proposed the taking over of Ki Bungalow for housing these people at a rent between Rs.50/ to 75/-. As sufficient accomadation in the choultry at Ma vala is available for housing 8 or 10 persons the same wil be taken up free.

It is also not desirable to get served meals to the members of the Home thrcugh a hotel. A cook may be -

employed on Rs.25/- a month and provisions may be purchased for the balance of Rs.75/- and these provisions will be enough to feed about 8 persons per day. The purchase depot clerk at Madivala who has not much work now will attend to the purchase of provisions and supervising the work of the home at Madivala.

6 The proposals of the Food Assistant for giving a remuneration of Rs.200/- to the Village Officers and servants and a sum of Rs.1000/- for contingencies etc., also appear to be unnecessary. The stationery required at the destitute home and by the interrogating staff will be made available by the Amildar, Bangalore South. The necessary boards at Madivala and at the junction circles will be got written and fixed at a small cost of about Rs.20/-

7 I request that the scheme as mentioned above may kindly be approved and urgent sanction of Government may kindly be obtained for the entertainment of one Food Inspector, two Assistant Food Inspectors and six peons and one cook as indicated above up to the end of December 1946 since the home has to be opened immediately.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

Refce.:- Letter No.3440 dated 20th June,'40 from the Director of Food Supplies.

Subject:- Opening a Destitute Home in the District limits - Preventing persons coming to Bangalore unnecessarily from the Sarjapur & Anekal Roads.

With this end in view I went along the Sarjapur, Anekal and Bannerghatta Roads, inspected the area in the neighbourhood of Bangalore on the 21st with the Amildar, Bangalore North and on the 22nd with the Amildar, Bangalore South. Discussed the subject with the Amildars and made enquiries of the local Daffedar, R.I's, village Officers and local men.

As a result, the following proposals are submitted:-

The City Municipal Boundary and the Municipal Toll-gate are near the 2nd Mile-stone. The Mental Hospital area, and The Wilson garden Extension extend up to the 3rd mile-stone. At the fourth mile the road to Adugodi and the C.& M.Station branches off, people from the city and the C.& M.Station will be moving in large numbers upto this point. The city Bus runs upto the Mental Hospital circle. A-part from the volume of work, it would be unnecessarily vaxatious and harassing to interrogate all these people.

Chatrapalya - Madivala village is at the 5th Mile stone on the Hosur Road. The heaviest traffic from Hosur side is learnt to be on this road. This village is an important village where the R.I. & the Special R.I. are to be found. There is a purchase & Sales Depot, at the place. The Sarjapur Road and the Bannerghatta Road are within reach being about 2 furlongs and 3/4 mile respectively from this village.

A home of the kind referred to, may therefore, be started at this village, at a building called the King's Bungalow which is found to be vacant. There are 10 small separate tenaments in the premises, each of which can accommodate a

a group of 4 or 5 persons. The Building proper is spacious with 4 big rooms, a verandah and fitted with Electric Lights, Taps etc. There are two good wells providing a plentiful supply of water. All round there is a lot of open space with trees, providing shelter for even large groupsof persons in fair weather. While the building is near all the main roads, it is at some distance from the busy village proper. This will be helpful to avoid unnecessary Excitement or congregation of local people and to keep away the outsiders whose antecedents will not be known, from the local people.

It may be possible to secure the premises for a rent between 50 to 75 Rupees. The Building may be commandeered immediately. Temporary additional tenements could be put up if required. Arrangements can be made here for 50 to 100 persons.

A Second Home if necessary could be started at a vacant Building in the Banneraghatta Road. This will accommodate about 200 persons.

At Madivala, there are 4 Hindu Hotels which can be entrusted on contract with the work of providing simple food to persons stopping at the Home. The Sales Depot at the place can supply the required rations without difficulty.

One Out-post (interrogating) at a Mantap at 6/5 on the Hosur Road and another at 6/2 on the Sarjapur Road at the Mission School have to be located to get through the work of interro gation expeditiously and to avoid at the same time unnecessary obstruction to traffic and local excitement at a single bottle-neck. A Daffedar will be posted at each of the posts.

At the outposts, vehicles and passersby will be stopped by the Police Officers on duty and interrogated. By em-

By employing Police staff for this purpose, the promulgation of special Notifications may not be immediately necessary at least in the initial stages. Those who have approved business for specific periods at the city will be provided with cards and permitted to proceed. Others will be handed over to the Special R.I. at the Destitute Home. A list of these will be sent everyday to the Rationing Officer, Bangalore City.

At the Destitute Home, persons will be provided with Food for the absolutely necessary period of stay and then sent away to other places. If required, they may be sent to relief works or other useful occupations.

For purposes of ensuring that people do not get into the city avoiding the main roads a belt will be marked at a distance of 1/2 a mile from Madivala, and continued upto the Kankanhalli Road on one side and the Varthur Road on the other. Along this belt, Police constables have to patrol and take all doubtful cases to the Interrogating out-posts for decision. They will warn persons that no rations will be issued at Bangalore to persons proceeding there unnecessarily.

All along the Belt at distances of 4 furlongs, Boards will be put up warning persons that rations will not be issued at Bangalore for persons proceeding to Bangalore without approved business or without rations.

The staff Police and Revenue as required is indicated in the enclosed statement. Since the Scheme is experimental in the first instance for a month or two, the required staff may be deputed by the regular Departments to attend to this work giving them the allowance admissible for officials of the Food Department. Only after the working of the scheme for one or two months final proposals can be formulated. Till then, incharge arrangements may be made in pla

in place of persons deputed for the work avoiding Extra cost as far as possible. The village servants and village Officers may be given a lumpsum remuneration of 200 Rupees to be distributed by the Amildar.

A sum of Rs.1,000/- may be sanctioned for contingencies, unforeseen items of expenditure rent and advances, printing permit cards, Boards etc.,

To make the scheme efficient, it is desirable to demarcate a frontier Belt in Anekal Taluk at a distance of 1/2 a mile from the District boundary as shown in the Map. The list of villages is given in the enclosed statement. 3 out-posts have to be located one at Attibele one at Sarjapur and a third at Jigani. There is no necessity for a free kitchen at any place. Excepting for this item all other arrangements in the frontier Belt should be the same as for the District belt near Madivala. A sum of Rs.1500/- will be necessary for this belt for expenditure on items other than the pay of the Establishment.

It is desirable to localate a temporary City Rationing Office near the Municipal Toll-gate in one of the buildings of the Wilson garden Extension or at the choultry attached to Sree Gutte Anjaneyaswamy Temple. At this office, persons permitted to proceed to Bangalore will deliver the permits and obtain ration-cards if necessary.

One [redacted] may be placed in direct charge of the scheme under the supervision of the Amildar and the Subdivision Officer.

He may be provided with a Lorry from the Food Department.

He will hold his office at Madivala.

A statement of work assigned to the several officials and of the staff required, and relevant Maps are enclosed
